## Education

### School

St. Mary High School
Rajkot, Gujarat

### College

Currently in GTU(Gujarat Technological University)
Diploma Computer Engineering
Latest CGPA: 9.32(3rd sem)
9.82($2^{nd}$ sem), 9.72($1^{st}$ sem)
CPI: 9.62

## Projects/Technologies

Have received 1st rank in Atmiya University python competition which was arrange by university itself(open for all students in university), I was the youngest of age in all other participants

**Few of my projects are**
• AI Personal Assistance like JARVIS(iron man movie)
• Password Manager GUI
•Automation( Birthday Mail sender, Flipkart price tracker, Monday motivation mail sender
• snake game(with AI Voice)
• English to French learning (GUI)
• Work and break managing Timer to increase personal work efficiency

Also have worked with few different technologies to built some projects.

**Some of the technologies I've worked with is as followed:**
• Pandas
• Numpy
• API(Django)
• Selenium(Web Scrapping, Automation)
• Turtle Graphics, Tkinter(Python Games)
• Currently thinking to start developing my knowledge in AI-ML
• Trying to pacticing DSA problem on online plateform to import logic and problem solving skills

## Communication

Good at communicating with people, very confident, Able to handle difficult situation.

## Leadership

I am good at these skill since childhood as, am habited to be the team captain in Cricket, volleyball, etc.. Loves to lead the team in any field
